

**Free-Range Hog
Roasts
Made in Sywell**

Here at the Happy Pig Club we are delighted to be able to offer Hog Roast catering for your wedding, party or frankly any other kind of bash you're planning.

All the pigs we use are pigs that we've raised ourselves in Sywell Village so we can 100% guarantee their provenance and quality.

All our pigs are rare breed, outdoor reared and fully free range, able to root and rummage to their hearts content. Its because of this we're confident it will be the best pork you've ever tasted.

We offer two menus one for the traditionalists amongst you and another for any cowboys or cowgirls who want to get their Deep South on.
